

ARCHITECTS INC.

Job Title: Intermediate Architectural Technologist, Permanent Full Time

Location: 279 King St. W. Suite 200, Kitchener ON N2G 1B1

Company Description

At SRM Architects Inc., we believe that architectural designs should embody both functionality and innovation, and strive to produce exceptional designs that meet our clients' needs. We are a dynamic firm, and are looking for self-starters with proven dedication and ingenuity.

Responsibilities

- Complete technical drawings in Revit and AutoCad
- Apply for building permits and site plan approval
- Research materials
- Assist with proposals
- Assist with contract administration
- Assist with determining project statistics

Qualifications

- 3+ years' experience working as an Architectural Technologist
- Proficient in Revit and AutoCad, producing drafting documents
- Understanding of current building systems, materials, and all codes in practice (Ontario Building Code, NFPA)
- Knowledge and understanding of architectural standards, building sciences, construction technologies and practices
- Able to work with a team to produce working drawings and 3D models of architectural designs for innovative multi-disciplinary projects - specifically Multi-Residential, Commercial, and Institutional
- Excellent communication and organization skills
- Comfortable interacting with clients, contractors and consultants
- Dedicated to meeting project deadlines
- Able to manage a number of tasks on multiple projects simultaneously
- Able to provide and receive feedback positively
