

ARCHITECTS INC.

**Job Title:** Architect, Permanent Full-Time

**Location:** 279 King St. W. Suite 200, Kitchener ON N2G 1B1

---

### Company Description

At SRM Architects Inc., we believe that architectural designs should embody both functionality and innovation, and strive to produce exceptional designs that meet our clients' needs. We are a dynamic firm looking for self-starters with proven dedication and ingenuity to join our team.

### Responsibilities

- Create innovative designs based on the client's requirements and site restrictions
- Find creative solutions to difficult design and technical issues
- Work collaboratively with architectural designers and technicians to meet project timelines, budgets, and requirements
- Ensure designs meet or exceed industry standards
- Coordinate and communicate with the client, project team, contractor and consultants
- Project coordination, leading consultant teams to produce full project documentation for innovative multi-disciplinary projects - specifically Multi-Residential, Commercial, and Institutional
- Supervise projects through Construction / Contract Administration

### Qualifications

- Professional Degree in Architecture
- 5+ years' experience
- Preference will be given to applicants who are proficient in Revit, AutoCAD and MS Office
- Understanding of current building systems, materials, and all codes in practice (Ontario Building Code, NFPA)
- Comprehensive understanding of architectural standards, building sciences, construction technologies and practices
- Advanced written & verbal communication and organizational skills
- Experience interacting with clients, contractors and consultants
- Dedicated to meeting project deadlines
- Adaptable to changing project parameters
- Ability to provide and receive feedback positively
