

Job Title: Architect, Permanent Full-Time

Location: 279 King St. W. Suite 200, Kitchener ON N2G 1B1

Company Description

We are a mid-sized Architectural firm with 30 staff, located in Downtown Kitchener, ON. We believe that architectural designs should embody both functionality and innovation, and strive to produce exceptional designs that meet our clients' vision, budget, and schedule.

We are looking for self-starters with proven dedication and ingenuity to join our team as an Intermediate to Senior Architect with a strong design background.

At SRM, we offer opportunities for on-the-job learning and development, as well as exposure to a wide variety of project types. These include Multi-Residential, Commercial, and Institutional projects.

To learn more about our company, please visit srmarchitects.ca

Responsibilities

- Create innovative designs based on the client's requirements and site restrictions
- Find creative solutions to difficult design and technical issues
- Work collaboratively with architectural designers and technicians to meet project timelines, budgets, and requirements
- Ensure designs meet or exceed industry standards
- Coordinate and communicate with the client, project team, contractor and consultants
- Project coordination, leading consultant teams to produce full project documentation for innovative multi-disciplinary projects - specifically Multi-Residential, Commercial, and Institutional
- Supervise projects through Construction / Contract Administration

Qualifications

- Professional Degree in Architecture
- 5+ years' experience
- Preference will be given to applicants who are proficient in Revit, AutoCAD and MS Office
- Understanding of current building systems, materials, and all codes in practice (Ontario Building Code, NFPA)
- Comprehensive understanding of architectural standards, building sciences, construction technologies and practices
- Advanced written & verbal communication and organizational skills
- Experience interacting with clients, contractors and consultants
- Dedicated to meeting project deadlines
- Adaptable to changing project parameters
- Ability to provide and receive feedback positively

Apply

Please send resumes to info@srmarchitects.ca (Subject: Architect Position).

We thank all those who take the time to apply for the above-noted position. Only those candidates selected for an interview will be contacted.
